Note: Courses outside the institution must be listed in the study plan. You must register via the <u>BCI website</u>. You cannot register for these courses via the regular online system.

ES-ET.11F (12-2011) (Rev. : 08-2024)

The semester is listed for planning purposes only. The student is responsible for entering his/her own course choices online in his/her student file. The courses chosen online that do not correspond with the study plan are automatically identified in the OUT-OF-PROGRAM category.

Required and non-program complementary courses are not counted in the total program credits and do not influence the GPA calculation.
